
Title: Treaty Revoked

Author:

*Imperial Empress Miko
Nakamura, Daughter of
the Sun, Ruler of Tokuno.

The grievous attack on
one of My men, is viewed
by Her Imperial Grace, as
an attack on Her Person.

For this transgression, I
offer you the new terms
of what I believe were
perfered to as a,
"Brokered peace".
Revoked is the welcome
My lands and My people
once offered you.

Take this as a small
offering of the "Peace"
you once requested from
Her Imperial Grace.

Her Imperial Empress,
Decendant of the Sun.
